**THE COMMISSIONER OF CUSTOMS**

July 29, 1985

WASHINGTON, D.C.

INT-1-E:I:N WHD

Dear Mr. Casey:

I wish to express my sincere thanks for the excellent briefing provided by Mr. Charles Allen, National Intelligence Officer (NIO), Narcotics and Terrorism, and [redacted] Assistant NIO, Narcotics, during a July 9, 1985, conference of Regional Commissioners of Customs. These Regional Commissioners are my principal subordinates in the seven Customs Regions and function as my field commanders. Our periodic conferences are an important opportunity to promulgate national policies and to survey broad experience with existing programs. As such, the conference provided an excellent forum for the kind of national-level briefing provided by Mr. Allen and [redacted] Making these busy officers available to our Regional Commissioners highlights the national attention and commitment to the serious problem of international drug smuggling. The lively dialogue which followed the briefing provided ample evidence that as individuals and as an agency, we welcome your assistance and support in the effort against drug smuggling and look forward to a productive future association.
